

118° End Point

S&D Drills, HSS

1/2" Reduced Shank, 118° End Point

Industrial S&D Drills

Silver & Deming style drill bits. Duotone black oxide and polished finish for fast chip removal, keeping the bit cool and reducing wear. High speed steel will remain sharper while drilling large diameter holes in ferrous and non-ferrous steels and other materials where large diameter holes are required. Reduced 1/2" shank fits all 1/2" or larger chucks. Made in the U.S.A.
